

# Heritage Trees

@ FORT CANNING PARK

## ACTIVITIES

### OBSERVATION OF HERITAGE TREES

The children will get to observe and learn about the different special features of the various heritage trees along the trail.

### INTERACTION WITH THE TREES

The children will be exposed to the various parts of a tree and be sensory satisfied as they meet the trees.

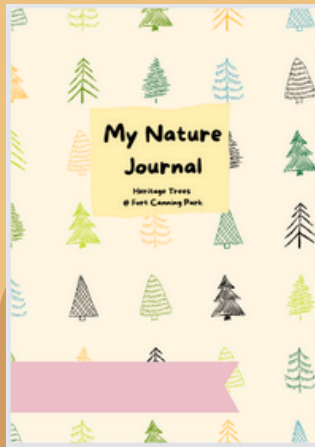

### NATURE JOURNAL

Using the nature journal, the children will record their observations and special features of the tree through creative hands-on methods.

# OTHER INFORMATION

Will there be snacks time?

There will be water breaks in between but no snack break.

How about wet weather?

If it rains very heavily, we may have to reschedule. If not, we can walk in drizzle with our raincoats.

What will the roles of the teachers be?

I will conduct a teachers' briefing prior to inform the teachers of the activities. Their main role will be safety of the children.

Is there a minimum number of children?

The minimum number of children will be 25.
