Weather 4cast

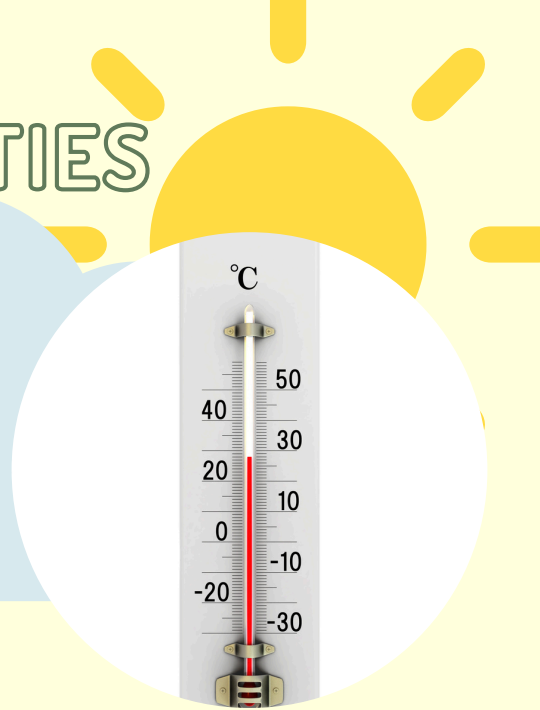

@ YOUR CENTRE

ACTIVITIES

FACTORS AFFECTING THE WEATHER

The children will learn the four major factors that affect the weather.

OBSERVATIONS TO PREDICT WEATHER

The children will get to learn about the observations in the nature that they can make to predict the weather.

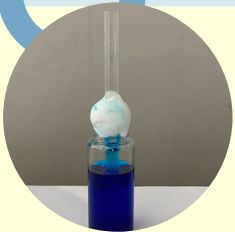

TOOLS TO MEASURE FACTORS

Using common recycled materials, the children will get to build the tools to predict weather like a weather station.

TAKEAWAYS

1. WEATHER PREDICTION TOOLS

2. TAKE HOME KIT

OTHER INFORMATION

What does the center need to provide?

The lesson will need to be conducted in a room that has projection as there will be videos shown. Also, the room should have tables and chairs for the children to work on the tools.

What will the roles of the teachers be?

If possible, the teachers can be around to help out with the craft segments.

Is there a minimum number of children?

The minimum number of children will be 10.
